

TECHNICAL FOCUS: Monitoring travel restrictions

Since yesterday, 10 additional States Parties are implementing travel restrictions, according to the media and/or official reports to WHO. To date, a total of 72 States Parties were identified to be implementing travel restrictions through official reports, official statements and the media. Of these 72 States Parties, WHO received 23 (32%) official reports from States Parties about their travel restrictions. Six other States Parties published official statements but have not yet formally communicated with WHO on their measures. Of note, the situation is subject to change, and some countries are currently in the process of implementing additional restrictions.
